

## **Lubricantes Venoco Internacional, C. A. (LVICA)**

**Lubricantes Venoco Internacional, C. A. (LVICA)** was established in 1994 for purposes of marketing the “Venoco” lubricants brand. With a national and international distribution network of its own, the company has increased its market share, keeping a close relationship with customers and high levels of customer satisfaction.

The company distributes a range of products including lubricating oils and greases, brake fluid and vehicle care products.
